## Chapter 13 Plan

### Part 1: Notices

**To Debtors:** This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with local rules, administrative orders, and judicial rulings may not be confirmable.

*In the following notice to creditors, you must check each box that applies. Your failure to check a box that applies renders that provision ineffective.*

**To Creditors:** Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the confirmation hearing, unless otherwise ordered. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is made. See Bankruptcy Rule 3015. In addition, a proper proof of claim must be filed in order to be paid under this plan.

The following matters may be of particular importance to you. Debtor(s) must check each box that applies. Debtor(s)' failure to check a box that applies renders that provision ineffective.

- ☒ The plan seeks to limit the amount of a secured claim, as set out in Part 3, § 3.2, which may result in a partial payment or no payment at all to the secured creditor.
- ☒ The plan requests the avoidance of a judicial lien or nonpossessory, nonpurchase money security interest, as set out in Part 3, § 3.4.
- ☒ The plan sets out nonstandard provision(s) in Part 9.

### Part 2: Plan Payments and Length of Plan

**2.1 Debtor(s) will make regular payments to the trustee as follows:**

 \$ 4,030.00 per month for 60 months

Debtor(s) shall commence payments within thirty (30) days of the petition date.

**2.2 Regular payments to the trustee will be made from future income in the following manner (check all that apply):**

- ☐ Debtor(s) will make payments pursuant to a payroll deduction. Debtor(s) request a payroll deduction be issued to: \_\_\_\_\_
- ☒ Debtor(s) will make payments directly to the trustee.
- ☐ Other (specify method of payment) \_\_\_\_\_

**2.3 Income tax refunds and return. Check one.**

- ☒ Debtor(s) will retain any income tax refunds received during the plan term.
- ☐ Debtor(s) will supply the trustee with a copy of each income tax return filed during the plan term within 14 days of filing the return and will turn over to the trustee income tax refunds received during the plan term, if any.
- ☐ Debtor(s) will treat income tax refunds as follows:
- ☐ Debtor(s) believe they are not required to file income tax returns and do not expect to receive tax refunds during the plan term.

**2.4 Additional Payment. Check all that apply.**

- ☒ **None.** If "None" is checked, the rest of § 2.4 need not be completed or reproduced.

**2.5 Adequate Protection Payments.**

Any adequate protection payments shall be made as part of this plan; see Part 3 or Part 9 for details. The secured creditor must file a proof of claim in order to receive payment. Unless otherwise ordered, adequate protection payments through the trustee shall be made as funds are available after the proof of claim is properly filed.

**Part 3: Treatment of Secured Claims**
**3.1 Maintenance of payments and cure of defaults, if any, on long-term secured debts. Check one.**

- ☐ **None.** If "None" is checked, the rest of § 3.1 need not be completed or reproduced.
- ☒ Debtor(s) or trustee will maintain the current contractual installment payments on the secured claims listed below. These payments will be disbursed either by the trustee or paid directly by Debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee. Unless otherwise ordered, the amounts listed on a proof of claim, amended proof of claim, or notice of payment change control over any contrary amounts listed below as to the estimated amount of the creditor's total claim, current installment payment, and arrearage.

	Name of Creditor	Collateral	Estimated Amount of Creditor's Total Claim	Current Installment Payment (including escrow)	Amount of Arrearage (if any)	Months Included in Arrearage	Monthly Fixed Payment on Arrearage	Monthly Fixed Payment on Arrearage to Begin
<div><div>+</div><div>-</div></div>	Rushmore Loan Management / First Guaranty Mortgage Corp. [#7]	Homestead Real Property	\$241,497.75	\$1,493.65 Disbursed by: Trustee To begin: December 2020	\$24,377.34	9	\$452.00	After confirmation

**3.2 Request for valuation of security, claim modification, and hearing on valuation. Check one.**

- ☐ **None.** If "None" is checked, the rest of § 3.2 need not be completed or reproduced.

The rest of § 3.2 will be effective only if the applicable box in Part 1 of this plan is checked.

- ☒ Debtor(s) request that the court determine the value(s) of the collateral and the amount(s) of the secured claim(s) listed below. For each nongovernmental secured claim listed below, Debtor(s) state that the amount of the secured claim should be the lesser of (a) the amount of the secured claim listed on the creditor's proof of claim and (b) the amount set out in the column headed *Amount of Secured Claim*. For each listed claim, the amount of the secured claim will be paid in full with interest at the rate stated below. *If a nongovernmental creditor timely objects to the proposed value of the creditor's collateral or the proposed amount of the creditor's secured claim, the confirmation hearing shall include a valuation hearing pursuant to 11 U.S.C. § 506 and Bankruptcy Rule 3012 unless otherwise ordered. If a nongovernmental creditor whose claim is listed below fails to timely object, the creditor shall be deemed to have accepted the amount and treatment of the creditor's secured claim as set forth below.*

For nongovernmental creditors, unless otherwise provided by this plan or otherwise ordered, the portion of any allowed claim that exceeds the amount of the secured claim listed below will be treated as an unsecured claim under Part 5 of this plan, and, if the amount of a creditor's secured claim is listed below as having a value of zero, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. For nongovernmental creditors, unless otherwise ordered, the amount of the creditor's total claim listed on the proof of claim or amended proof of claim controls over any contrary amounts listed below, but the amount of that creditor's secured claim, the value of the collateral, and the interest rate are controlled by the plan.

The holder of any claim listed below as having value in the column headed *Amount of Secured Claim* will retain the lien until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge under 11 U.S.C. § 1328(a), at which time the lien will terminate and be released by the creditor.

For secured claims of governmental units, unless otherwise ordered, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below.

### 3.3 Secured claims excluded from 11 U.S.C. § 506 and fully secured claims. Check one.

☐ None. If "None" is checked, the rest of § 3.3 need not be completed or reproduced.

☒ The claims listed below:

1. were incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of Debtor(s), or
2. were incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value, or
3. are fully secured.

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed by the trustee as specified below. Unless otherwise ordered, the status and amount stated on a proof of claim or amended proof of claim controls over any contrary amount listed below as to the estimated amount of the creditor's total claim, but the interest rate is controlled by the plan.

The holder of any claim listed below will retain the lien until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge under 11 U.S.C. § 1328(a), at which time the lien will terminate and be released by the creditor.

**3.4 Section 522(f) judicial lien and nonpossessory, nonpurchase money ("Non-PPM") security interest avoidance. Check all that apply.**

☐ **None.** If "None" is checked, the rest of § 3.4 need not be completed or reproduced.

**The rest of § 3.4 will be effective only if the applicable box in Part 1 of this plan is checked.**

- ☒ **Total Avoidance.** Debtor(s) seek to totally avoid the judicial lien(s) or Non-PPM security interest(s) securing the claim(s) listed below because each impairs Debtor(s)' available exemption(s) and the extent of the impairment equals or exceeds the amount of the lien or security interest. Unless otherwise ordered by the court, a judicial lien or Non-PPM security interest securing a claim listed below will be avoided in its entirety (as to the property described) upon entry of the order confirming the plan, and, unless otherwise provided by this plan or otherwise ordered, the creditor's entire claim will be treated as an unsecured claim in Part 5 to the extent allowed. See 11 U.S.C. § 522(f) and Bankruptcy Rule 4003(d). (This section should be used if, after deducting the amount(s) of Debtor(s)' available exemption(s) and of any mortgage lien(s) or other unavaoided lien(s) and security interest(s) that encumber the subject property, Debtor(s) have no equity in the property. Debtor(s)' schedules contain information regarding the property value(s) and information regarding the mortgage(s) and other lien(s) and security interest(s) that encumber the property.)

- ☐ **Partial Avoidance.** Debtor(s) seek to partially avoid the judicial lien(s) or Non-PPM security interest(s) securing the claim(s) listed below because each impairs Debtor(s)' available exemption(s) and the extent of the impairment is less than the amount of the lien or security interest. Unless otherwise ordered, a judicial lien or Non-PPM security interest securing a claim listed below will be avoided to the extent that it impairs such exemption(s) upon entry of the order confirming the plan. The amount of the judicial lien or Non-PPM security interest that is *not* avoided will be paid in full as a secured claim under the plan, as set forth below. Unless otherwise provided by this plan or otherwise ordered, the amount by which the creditor's claim exceeds the amount of the secured claim listed below shall be paid as an unsecured claim in Part 5 to the extent allowed. See 11 U.S.C. § 522(f) and Bankruptcy Rule 4003(d). (If more than one lien or security interest is to be partially avoided, a separate chart must be used for each.
